Complete Product Family

One-stop shop for popular products, sizes and locking mechanism styles.

The Miltex® Stainless Steel Ware product line offers a wide selection of bowls, basins, cups, jars, instrument trays and covers. The product is manufactured using 304 stainless steel and measures 0.6mm in thickness.

The stainless steel Miltex® Surgical Instrument Stringers are available in various lengths and the most popular shapes; closed and open with lock – side and center. All closed styles offer a secure locking mechanism and smooth edges and are designed for effortless opening and closing.

See reverse side for details on the complete line and part numbers.
